Three Indians made their billions from the Web

Monday, September 15, 2008

[Post comment\(1\)](#)

[Print news](#)

[Forward this news](#)

New York: Three Indians have been named among 34 innovators in Forbes magazine's 'Web Billionaires' list.

The trio comprise Kavitarik Ram Shriram, an early investor in Google who is now on the advisory board of the jobsite naukri.com; Party Gaming founder Anurag Dikshit and Indiabulls' Sameer Gehlaut.

Shriram - Web and Internet -> I.T. Recruitment

Dikshit - On-line gaming

Sameer Gehlaut - On-line Financial Services

THANK YOU
